Kathryn and Leota. Mrs. Naegeli Iris

All bulbs and bulblets were treated in a formaldehyde solution before planting.

I take great pains in keeping all stock true, as a visit here will show you, and I extend a welcome to all who are interested to visit me during the blooming season. Auto bus from Mantorville meets all trains at Kasson and passes by my nursery.

All stock will be well graded and fully up to the grade specified.

Gladiolus bulbs will be packed free, other stock at cost.

All stock is in storage and can be shipped as early as desired.

Five at 10, 25 at 100, 250 at 1000 rates.

To responsible parties, June 1, payment.
